Attention All High School Students:
The Linguistics Olympiad is coming!

**What?** 2019 North American Computational Linguistics Olympiad

**When?** Thursday, 9:45-1pm
January 24, 2019

**Where?** Cornell University, ILR 423

**Why?**
Try deciphering an ancient script or deducing the logical patterns of Swahili.

Compete for a chance to go to the International Competition and test your skills against students from all over the world!

No participation fee!

Visit linguistics.cornell.edu/outreach for more info or contact LinguisticsOutreach@cornell.edu
